Utica College
Mr. Joseph Giordano
Economic Crime and Justice Studies
1600 Burrstone Road
Utica, NY 13502

Mr. Giordano:

I am pleased to inform you that the National Security Agency and the Department of Homeland Security have designated Utica College as a National Center of Academic Excellence in Information Assurance/Cyber Defense Education (CAE IA/CD). This designation covers academic years 2014 through 2019.

Your ability to meet the increasing demands of the program criteria will serve the nation well in contributing to the protection of the National Information Infrastructure. The Presidents' National Strategy to Secure Cyberspace, 14 February 2003 and the International Strategy for Cyberspace, May 2011, addresses the critical shortage of professionals with these skills and highlights the importance of higher education as a solution to defending America's cyberspace. "Like all nations, the United States has a compelling interest in defending its vital national assets, as well as our core principles and values, and we are committed to defending against those who would attempt to impede our ability to do so." Education is the key to promoting these ideals.

Certificates will be presented during a ceremony dinner at the 18th Annual Colloquium for Information Systems Security Education on June 16, 2014. Details on the Colloquium, including conference registration and hotel reservations may be found at www.cisse.info. We appreciate your participation in this program and look forward to seeing you in June.

Sincerely,

\s\

Karen Leuschner
National CAE Program Director, NSA
